DISCLAIMER: The information on this page is current as of Monday, January 13, 2025 at 02:08 PM.

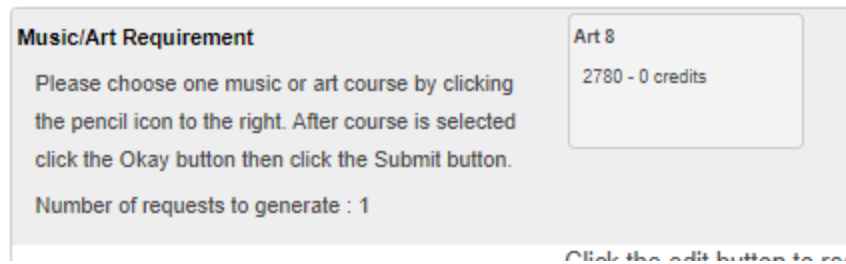

Choose courses for each subject area by clicking the pencil icon on the right. The first row of courses are required and a course **MUST** be selected. The second row is optional. A red exclamation on the right side of the subject area indicates a required course has not yet been selected. A green check indicates a course has been selected or is not required.

5. A pop-up will display when clicking the pencil icon. Courses available within the subject area will be displayed with their course number, description, credits and prerequisites.

Check the box to the left of the course you would like to register for. Click the Okay button when finished choosing the desired course(s).

6. Confirm the correct course names appears on the request screen for each subject area.

7. Click **Submit** on bottom right of screen.
